Khurram Masood
CEO, The i-Care Foundation

Wasiq Ismail
CEO, The i-Care Fund America

FROM THE CHAIRMAN

The i-Care Foundation completes its 10th year on January 18, 2018. We want to take this opportunity to sincerely thank everyone who has been a part of our journey. Thank you to our Trustees, for their unconditional support and guidance, giving the organization the direction it needed to be where it is today. Thank you to all our partner charities, we appreciate the hard work and dedication put in from all of you in reaching more and more underprivileged and deserving Pakistanis across the country. Most importantly, we thank all our donors, for putting your trust in i-Care and for choosing it to be your vehicle for philanthropy. We take pride in being an organization which is transparent, accountable and efficient in disbursing donations. Your confidence gives us the thrust to go above and beyond in our service delivery; from donor reporting to customized donation options for the social causes close to your hearts.

With the passage of time, change is inevitable! Our CEO **Faisal Farooq Khan** has successfully completed his five year tenure as CEO of **The i-Care Foundation**. He is now supervising the transition process before preparing to tackle new challenges in his career. He is starting his own social impact initiative. Keeping in view the steady growth i-Care has attained over the years, the trustees have decided to appoint **Khurram Masood** as CEO of **The i-Care Foundation** and **Wasiq Ismail** as CEO of **The i-Care Fund America**. The appointment of two independent CEOs for both the Fund in the US and the Foundation in Pakistan is an affirmation from us to you, for the benefit of the people of Pakistan. The change of leadership process will be completed by the end of February 2018. The trustees and management of **i-Care** bids farewell to Faisal, and extends a warm welcome to Khurram and Wasiq.

We are confident that under the new arrangement, **i-Care** will be able to serve you, our donors and our partner charities, even better. We look forward to another decade of growth and collaboration in meeting the aspirations of our donors.

On behalf of the trustees and management of **i-Care**, I wish all of you a happy and prosperous year 2018.

Farrokh K. Captain
Chairman

Launch of The i-Care Global Crowdsourcing Portal

To facilitate our partner charities in raising funds and awareness of their causes, the i-Care Global Platform is now active. The portal is a tool for charities to present their projects for which funds are required, with pictures and details, as well as an 'ask'. Through this portal, donors can easily access information available on the projects and initiatives of the charities they want to support. They can simultaneously and instantly donate to those causes directly.

We are happy to welcome on board our first partners on the portal; Ayesha Chundrigar Foundation and Dar-ul-Sukun. Their projects are now active and accepting donations on the portal.

We would also like to welcome our other partner charities to this portal. For more information, please contact info@i-care-pakistan.org.
